

God, you answer our prayers and do what is right. You do amazing things to save us. People all over the world know they can trust in you, even those who live across the sea. PSALM 65:5 ERV

- God continues to work through Bible League in a mighty way in 2024, touching the lives of more than 2.2 million people with His Word. Children and youth account for slightly more than 40% of those reached with the Good News.
- Trained believers come alongside people to help them understand God's Word and, by the power of the Holy Spirit, find new life in Jesus Christ. By God's grace, so far this year we've trained nearly 150,000 Bible study leaders, church planters, and Bible-based literacy teachers to share the Gospel.
- Praise God! To date this year, 1,532 newly trained church planters have planted 1,411 new churches.

Week 1

Celianie in **Haiti** completed Bible League's Church Planter Training in 2021. Since then, she has planted a church and founded an orphanage. Armed groups recently looted the campus, taking everything. The children are now scattered among three different locations in another community.

Praise God! Bible League provided 200 easy-to-read Thai Bibles to new believers at the end of August. These new believers took part in a special event in **Thailand** called “Holy City—Chiang Mai.” Pray that they will grow in faith.

Week 3

Please pray for Pastor Raj in northern **India** who is facing increased persecution. Police recently arrived at his church to stop the worship service and take him into custody. After interrogating him throughout the

Bible League’s ministry director in **Venezuela** asks for your continued prayers. A recent nationwide blackout left most of the country without electricity. Bible study training workshops were suspended as a result.

Week 4

Ask God to break the red tape that has kept a shipment of Bible League’s Arabic language Bibles from entering **South Sudan**. The Bibles have been in Mombasa, Kenya, since mid-July. The delay is because South Sudan’s president dissolved the country’s customs division, which had handled approving exemptions for church consignments. The division now responsible for these approvals has yet to act. Please pray that God intervenes so that the Bibles will be released.

Pastor Rahul has started a small group Bible study among the migratory Pardhi people in western **India**. Pray for their spiritual growth.

As this is written, the first training in **Egypt** for how to use the *Discovery Series*, Bible League’s new Bible study materials for children, is scheduled for the end of September. Pray for all the attendees and for all the children who will be reached with the Word of God.
