

You must depend on Christ only, drawing life and strength from him. Just as you were taught the truth, continue to grow stronger in your understanding of it. And never stop giving thanks to God. COLOSSIANS 2:7 ERV

- Around the globe, only about 3 in 10 people follow Jesus. Many others follow Islam, Hinduism, and Buddhism. Men, women, children, and teens everywhere are still searching for hope that only the Gospel offers.
- Believers worldwide, especially in Asia, face rising persecution. Yet, they are not afraid. Many stand ready to share the love of Christ with their communities.
- God is on the move! In 2024, nearly 174,000 believers were trained to lead Bible League Bible studies, plant churches, and teach Bible-based Literacy classes—the highest number in over five years!
