

OCTOBER 2025 PRAYER CALENDAR

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit. Romans 15:13 NIV

- Churches around the world served by Bible League International are under-resourced and don't have access to Bibles and training for many different reasons, including poverty, remoteness, and persecution.
- Training Christian leaders is essential to growing God's Church around the globe. Bible League's Bible studies, Church Planter Training, and Bible-based Literacy help train believers to spread the Good News in their communities.
- One in four people in the world is under the age of 15. Through Bible League's ministry, hundreds of thousands of kids and teens are discovering the hope of Jesus Christ.

PRAY FOR WORLDWIDE MINISTRY

WEEK 1

In **Egypt**, believers are using Audio Bibles to reach hundreds of kidney patients at the local hospital. As the patients go to the hospital several times a week for dialysis, they listen to the Audio Bibles they received through Bible League. Please pray that God will reach their hearts with his love and compassion through His Word.

Praise God for the printing of Bible League's *Discovery Series* for children in **Armenian**. Christian leaders in Armenia are excited for these new materials to reach the next generation.

Pray for Pastor Jacobo in **Chicago** as he leads Bible League Bible studies at his church. May the Lord ready hearts to receive His hope.

WEEK 2

Some regions in **Madagascar** are experiencing flooding due to the erratic weather conditions. Because of the floods, many cannot meet for Bible study. Pray that the weather will become calm again.

In **Ethiopia**, more than 100 people recently received training to lead Bible League Bible studies. Ask the

Lord to open doors for them to go out into their communities to share the Good News.

Thank God for the 800 people in one of **Tanzania's** remote villages, Mwamishoni, who are studying God's Word. Pray for them to grow in faith and share God's Word with others.

WEEK 3

Pray for Pastor Jairo, who is spreading the Gospel among the Achuar indigenous community in **Peru's** Amazon region. May God's message of love reach many for the first time.

Ask the Lord to provide peace and protection in **Colombia**. Across the country, there has been an increase in terrorist attacks, murders, armed groups, and drug trafficking. Pray for Bible

League-trained church planters and Bible study leaders as they keep spreading God's Word in these difficult situations.

May God bless the new church planters in Milagro, **Ecuador**. Ask the Father to create opportunities for them to share God's Word and plant churches in their communities.

WEEK 4

Pray for the 45 believers in Camotes, **Philippines**, who recently graduated from Bible League's Church Planter Training. They are eager to put their training and materials into action. May they remain steadfast in their faith and grow God's Church in their communities.

In **Vietnam**, 40 believers among the K'ho people received training to lead Bible League Bible studies. The materials they receive are a big answer to prayer. This is the very first time they have received such training. Some of them had been hoping and

praying for Bibles and materials for years. Pray for more opportunities to spread Christ's hope among the K'ho.

May the Lord guide Chandra, a Bible League-trained church planter in western **Nepal**. He is discipling five people and training them to spread God's Word. Pray that many will come to know Jesus through their ministry.

Praise God for the women in **Pakistan** who are sharing the Gospel with other women through Bible League Bible studies. Ask God to protect them and guide them as they spread Christ's hope.
